

11 Reasons to Join Us at Elite 300 College ID Camp this June!

Held at Swarthmore College
Philadelphia, PA

Dear Prospective College Player,

We want to see you play this June! We invite you to attend the **Elite 300 College ID Camp held at Swarthmore College**. We know you are busy and have lots of choices, but we believe our ID Camp is a quality investment of your valuable time and funds. We offer two sessions, to make it easier for you to find a time that works for you. **Session 1 is June 23 – 26; Session II is June 26 – 29.**

Here are **11 reasons to attend**:

1. Our **Coach-to-Player Ratio is among the lowest in the country** (we maintain a 1:7 ratio or lower).
2. The coaches and **college soccer programs represented on our staff are among the best in the country** – both athletically and academically - and hail from some of the nation's top DI-DIII conferences, including: **Penn** of the Ivy League (D1); **Lehigh University** of the Patriot League (D1); **LaSalle University** of the Atlantic 10 (D1), **Swarthmore College** of the Centennial Conference (D3); **Bates** and **Bowdoin** from the NESCAC (D3); **Juniata College** of the Landmark Conference (D3); and, **Caltech** of the SCIAC (D3). In addition to these college coaches, we have **two US Soccer ID talent scouts** on our staff.
3. We offer multiple days of camp (not just one afternoon or one day) which **gives us time to actually see you play** in a range of environments and gives you a better chance to meet and connect with our attending coaches.
4. Our camp, held at beautiful Swarthmore College just outside Philadelphia, features **great facilities** including Clothier Field Stadium (turf) and the Cunningham Fields Complex (grass), as well as the indoor field house in case of inclement weather. You'll enjoy all your meals (which are included in the camp fee) in Swarthmore's spectacular, brand-new Dining Center in the center of campus.
5. **Our camp is a GREAT value!** We encourage you to compare what we offer against other ID Camps. Four days of training, 3 nights of dorm accommodations, and all meals are INCLUDED in your registration fee, as well as a camp t-shirt and shorts. We are coaches running the camp so we can see players play, not business folks trying to squeeze out every dollar of profit.

6. Partnering with Next Goalkeeper Academy and its Founder Taylor Thames, we **offer specialized goalkeeper training as part of our camp curriculum**. During training activities you'll train with other keepers and during matches you'll get a chance to show your stuff in game action.

7. In addition to our training sessions/matches, we offer several special offerings to help prospective college players, including our **College Night Recruiting Panel** and our **Sports Psychology Seminar**.

8. Elite 300 College ID Camp is **conveniently located just outside of Philadelphia**, making it easily accessible via air, car, train or bus. We'll even pick you up at Philadelphia International Airport.

9. We offer special **savings for groups of 4 or more players** from the same team or club and we also offer **discounts for returning campers or players who stay for both sessions** – contact us for details.

10. We are proud to say that **hundreds of Elite 300 campers have gone on to play college soccer**, including several who had/have professional careers in the MLS, overseas, and elsewhere. As one of the camp directors and the head coach at Swarthmore College, I can tell you that most of our recruits over the years have attended Elite 300, where we've had a chance to see them play in person over several days.

11. We are **celebrating our 25th year this summer**, making us the longest-running multi-college ID camp on the East Coast. We have a proven record of providing a valuable camp experience that mixes quality training while providing you with the opportunity to be seen by and connect with top college coaches.

Join us this June at our Elite 300 College ID Camp sessions. You'll get great exposure to a broad range of college coaches, learn more about what it takes to play college soccer, and have some fun on and off the field. **Learn more or register at www.Elite300.com**.
